The Other Side Ranch pastures span over 200 acres, include 3-sided shelters, running water, and Bar Bar A Automatic Horse Waterers. Offering boarding without additional services (pasture, outdoor stall w/run, indoor stall). Special pricing available for veterinarian referrals. Contact us today for our current rates!

We are Certified Equine Rehabilitation Practitioners providing comprehensive fitness & rehabilitation at a high-altitude, state-of-the-art facility. We aim to optimize the horse's healing and reduce pain while improving strength, mobility, posture, coordination, and balance. Our tools include manual therapy, therapeutic exercises, HydroHorse underwater treadmill exercise, Vitafloor whole body vertical vibration, and solarium light therapies. Horses must be boarded at this facility to receive fitness/rehab services.
