

**TECHNICAL ANIMAL RESCUE
AWARENESS LEVEL COURSE
IN MEMORY OF LESLIE THOMAS
SUPPORTED BY THE ROARING FORK VALLEY HORSE COUNCIL**

THURSDAY AUGUST 6, 2020 @ 6:00PM

Do you know how to perform technical animal rescue? This course is targeted to first arriving responders and will cover:

- *Scene stabilization and hazard recognition*
- *Identify hazards to rescuers posed by the animal or the environment*
- *Identify appropriate attachment points to the animal, and appropriate positioning with minimal injury to the animal and responders*
- *Understanding animal behavior cues and recognizing the need to be adaptable in our actions to keep animal and rescuers safe*
- *How to team with and utilize Veterinarians who are trained in Technical Animal Rescue*

Please email jeff.edelson@aspensfire.com with any questions.

Register at: <http://aspensfire.com/events/tar-course/>

Registration is required for attendance as space is limited to meet social distancing requirements.
