

PROTECTING HORSES AGAINST CORE EQUINE DISEASES

Roaring Fork Valley Horse Council & Zoetis invite you to join a *complimentary* webinar.

This educational opportunity for Roaring Fork Valley Horse Council members will cover the core diseases that are potentially fatal to horses and the importance of annual spring vaccinations. Click on the button below to join the live webinar at the designated time.

▶ **TUESDAY, SEPTEMBER 22nd 6:00pm MDT**

SPEAKERS: IAN KERSCH & DR. JACI BOGGS

In an effort to help those negatively impacted by COVID-19 and the local wildfires, RfVHC has created a fund to provide individuals with a free one-year membership to the Horse Council, and Zoetis has donated a limited supply of vaccines, while supplies last. To request consideration for this assistance, please click [here](#) and complete this brief survey.
